Election of Coverage and Authorization

I understand that for traditional HMO/POS plans, referrals for specialty care and services, unless otherwise required by State or Federal law or in accordance with my Certificate of Coverage, must be coordinated by my primary care physician (PCP). Written referrals, if required must be provided by my PCP prior to seeing any specialist. I authorize any licensed physician, hospital, health care provider, insurer or any other medical or insuring entity in possession of my and my dependents' medical records and information, including any and all mental health records and information, to release my medical records and information and those of my dependents to the PCP and VISTA. This information may be requested after we are accepted by VISTA to identify possible pre-existing conditions. I hereby provide VISTA with consent to use identifiable information for general treatment, payment or health care operations, including but not limited to, coordination of care, quality assessment, utilization review, fraud detection or accreditation purposes. If member identifiable information is to be used for any other purpose, VISTA will obtain specific authorization from me and my dependents as required. I understand that newborns and adopted children, if adopted before the age of eighteen, are not subject to a pre-existing condition waiting period, if enrolled within 30 days but not later than 63 days after birth, adoption or placement. I agree that coverage for pre-existing conditions will not be provided until the specified waiting period indicated in VISTA's Certificate of Coverage or Group Master Contract is concluded. I understand that my dependents (if any) and I may be subject to a pre-existing condition exclusion until the required Certificate(s) of Creditable Coverage are received by VISTA. I certify that all information and statements furnished by me are true and complete to the best of my knowledge. I understand that any misrepresentation or omission of any information including pre-existing conditions, may result in the termination of my or my dependent's coverage. I understand that I am financially liable for any charges incurred after the effective date of termination of coverage. I hereby acknowledge VISTA's right to require proof of any dependent's or spouse's or child's dependent status. I understand that VISTA does not directly employ any participating providers or facilities. All health care providers and facilities are independent contractors and are not the agents or employees of VISTA. I agree that if my dependents or I have not been continuously covered by creditable coverage within the last 12 months (18 months for late enrollees), as applicable, my dependents and I, as applicable, may be subject to a pre-existing condition exclusion. If applying for HMO coverage, I certify that I maintain my primary residence in VISTA's service area or am regularly employed in the VISTA service area. I also certify that, except for dependents pursuing a full-time student status at an educational institution, college, university, vocational or secondary school, dependents must maintain their primary residence in VISTA's service area or the dependent is not eligible for HMO coverage and dependent children are dependent on me for support and maintenance. The Certificate of Coverage (or "Contract") can be obtained through (i) the VISTA website at www.vistahealthplan.com, (ii) by contacting your Group Benefit Administrator, or (iii) by calling the VISTA Customer Service Department at 1-866-VISTA-FL (1-866-847-8235) and requesting a hard copy of the Contract be mailed via U.S. regular mail. Your signature on this application represents acceptance of these delivery options.

I understand that any person who knowingly and with intent to injure, defraud, or deceive any insurer, files a statement of claim or an application containing any false, incomplete or misleading information may be guilty of a felony of the third degree. VISTA may terminate coverage of any member who knowingly defrauds VISTA.
